The Canaccede Advantage

Let our team of industry professionals manage and monitor your accounts. We treat your customers like our customers.

Risk

Canaccede operates as an extension of your organization. As such, we protect your brand and mitigate your reputational risk.

- Data risk is minimized by using sophisticated and advanced privacy and security protocols.

Finance

We help reduce internal overhead costs on processing, monitoring and managing receipts.

- Canaccede's credit counselling service solution helps minimize the risk and expense of file processing and management.

Operations

We manage the recovery operations, eliminating overhead on processing and monitoring these accounts

- Our system of record allows for your accounts to be easily reviewed, managed and reported. We strictly adhere to all legal, privacy and compliance requirements.

Technology

Our solution provides flexibility and scale to meet fluctuating volumes.

- We use sophisticated integration points for seamless flow of your data onto our system for transactional ease. We ensure all security, privacy and data integrity standards are properly prioritized.
- Our system of record allows for efficient receipt of all credit counselling files and secure file management in our PCI-DSS compliant environment. Our cloud-based platform requires no localized installations and can integrate with a flexible API.

Who we are

Optimize your capital, boost earnings and reduce volatility with our turn-key and custom debt solutions.

Industry leading lenders have been partnering with us in the acquisition and / or servicing of performing, insolvent, distressed and credit counselling receivables since 2008. Canaccede is the largest multi-asset acquirer in Canada and a leader in this industry.

We support our customers through our CFG Managed Services servicing solutions, and through our CFG Accelerator Suite, we can also purchase the debt and process and monetize the accounts. Our services are tailored to meet your needs.

- We are the only fully-integrated debt service and purchasing provider in Canada.
- We do not outsource administration.
- We have a vested interest in optimizing the value from accounts.
- We protect the value of your brand.
